

## **SPECIAL ANNOUNCEMENT**

Arrangements have been made to have a Joint Group Gateway Division NMRA and St. Louis Chapter NRHS **tour of Micro Engineering Co.**, 1120 Eagle Road, Fenton, Missouri, on **Tuesday, September 24, 2019, 10:00 AM – 11:00 AM.**

Micro Engineering Co. (MEC) was started in 1964 under original name “Rail Craft Products.” MEC manufactures an assortment of model railroad products, from track to bridges, etc.

**Attendance is limited to just 30 people!** Mark your calendar and set the time aside. Also, **PLEASE NOTE; the tour is on a weekday, Tuesday, in the morning.** MEC does not work on the weekend.

**Safety Requirements: Tour of a Manufacturing Shop under Actual Working Conditions! Safety is paramount!**

- Not required – safety shoes, hard hats, and earplugs.
- Regular eyeglasses **with safety lens** are acceptable.
- Neither tank tops nor flip-flops are allowed.
- **ADA accessibility** – narrow aisles can accompany folks with canes; wheelchair could be difficult.

Picture taking and videotaping are allowed.

More information will be coming later as to directions, parking, etc.

Sign up sheets will be available at upcoming meetings or you may contact Ron Gawedzinski, [rwgawed@yahoo.com](mailto:rwgawed@yahoo.com), and telephone 314-846-5559.
