VOLUNTEERS NEEDED

The Gateway Division NMRA has requested our help with volunteer staffing at their National Convention being held in St. Louis August 7, 2022 – August 13, 2022.

The convention is at the Marriott Grand in downtown St. Louis.

They have requested volunteers to help with check in, working doors, giving directions, etc. For every volunteer hour you work, the ST. Louis Chapter NRHS will receive \$10.00.

For more information on volunteering at the convention, the volunteer chairman is Walter Beckman. His email address is wrbbee@gmail.com

The NMRA convention is running a TRRA Circle Trip on Thursday August 11. There will be two trains during the day. They would like two St Louis Chapter volunteers to staff the check in tables for each run. Those volunteers will receive a free train ride. For information on working the train platform at ST. Louis Union Station contact Rick Sprung trip.director@stlouisnrhs.org
