Special Edition – No. 2 - March 2017

=====

Until further notice, the restoration shop at the Museum is off limits. As the situation progresses, various legal matters come up that require all people to stay out of the shop.

As soon as this matter is cleared, we will notify you in this same manner.

At this time, we hope that we will get clearance next Monday or Tuesday to get back to normal. We still expect to start field training on Thursday, March 9.
